INFORMER

September 2016

Welcome to the latest edition of The Informer. By now I expect that many of you will have had your annual holidays, which I trust you have all enjoyed. For those who have not yet gone, I hope you enjoy your time away. There will also have been eagerly anticipated exam results finally known and I hope that everyone achieved all that they wished for. This time of the year is often a new start for many: new schools, new sporting seasons, new challenges and new opportunities. If you are looking for a new opportunity as a member of the Parish Council, we want to hear from you. Should this interest you please contact any Councillor who will be more than happy to give you any information you need. As always, if there is anything you would like to discuss with me, please do not hesitate to get in touch.

David Gregory, Chairman.

New Website

A new site for the Parish Council will be available shortly, it will carry up-to-date news, details of minutes and The Informer. It will also have a feature for you to make direct contact with any questions or queries you may have. Please visit www.todwickpc.org.uk.

Macmillan Coffee Morning Celebrating its 25th birthday 2016

Once again Todwick Primary School have offered to host this event on **Friday 30th September 2016 at 9.30am to 11.30am.**

The staff and children invite you to 'The World's Biggest Coffee Morning', in a national fundraising event.

Please come along and support this very worthy cause – the perfect chance to catch up over a cuppa and a slice of something delicious.

Todwick Church Garden Gang

If you have some spare time why not take a leisurely stroll around the church yard. You will see some familiar names as a lot of the street names in the village emanate from former residents. You will also be taken by how well maintained the area is. Maybe you would also consider joining the small group who regularly work to keep on top of the

weeds. **The group meet up on the first Saturday of each month from 10am.** If you can help, please bring along some basic gardening tools to use, although sometimes the garden gang do have some spares with them.
